Question re resolution of the
Council re —

4292

From the president- city Municipal Council Mysore

MS- P 103 dated 25-1-48

states that the services of Mr K N Subba Rao veterinary inspector were again continued from 9th December, 1944 on an allowance of Rs 25-p m in anticipation of sanction of Gavernment and that a sum of Rs 40-5-0 is due to him for the months of December, 1944 and January 1945, which was not paid to him. and requests Sanction of grat to the above arrears claim

1 As the arrears of allowance due to Mr K N Subba Rao veterinary inspector, relate to the years 1944 and 1945-, the Comptroller to grat may perhaps be requested to investigate the claim

2 As what was approved in Tee Go of 8 2-45 was the Continuance of Tee services of the Veterinary Inspector, the objection of the Comptroller is not clear If a Copy of the Objn memo is not furnished, it may also be called for or the Comptroller Consulted unofficially

Adverting to G O No L 1620-2/Ml 11-43-132 dated 12-8-1944 sanctioning the appointment of a Salustry on Rs 25/- p m etc, and G O No L 7920-2/Ml 11-44-75 dated 8-2-45 approving the proposal of the Municipal Council for the continuance of the services of the Veterinary Inspector also on an allowance of Rs 25/- p m, as before, I have the honour to state that as soon as the Salustry was appointed, the visits of the Veterinary Inspector were discontinued for a few days But the Council felt it very desirable to continue the services of the Veterinary Inspector also since the Salustry by himself could not diagnose the diseases of cattle or prescribe medicines etc

They, therefore, resolved to continue the services of the Veterinary Inspector at their meeting held on 25-11-44 and pending sanction of Government thereto, the services of the Veterinary Inspector, Mr K N Subba Rao, were again continued from 9th December 1944 on an allowance of Rs 25/- p m in anticipation of sanction of Government Mr Subbarao attended to the work during the above period and a sum of Rs 40-5-0 is now due to him for the months of December 1944 and January 1945, which was not paid to him then as orders of Government had not been received The continuance of his services were approved by Government in their order No L 7920-2/Ml 11-44-75 dated 8-2-1945

The official has been urging the payment of the arrears of allowance due to him for the months of December 1944 and January 1945 since then The papers which were reported to have been mislaid were got traced and placed before the Council as the claim was more than one year old

The Municipal Council have also at their meeting held on 23-12-1947 resolved that the amount may be paid to him vide copy of the resolution No 524/23-12-47 enclosed

The Municipal Auditor, to whom the bill was sent for being passed in audit, has observed that the G O dated 8-2-45 regarding the continuance of the services of the Veterinary Inspector cannot have retrospective effect and the allowances for his services prior to the date of the Government Order viz , 8th February 1945 can be paid only after specific orders of Government are obtained in the matter

I, therefore, request that sanction of Government may kindly be obtained to the above resolution of the Municipal Council and the same intimated early
